

THE IMPACT OF THE CREDIT CRUNCH ON EUROPEAN RETAIL

Rig for stormy weather

Reference Code: BFVT0062

Publication Date: 02/09

ABOUT VERDICT RESEARCH

Verdict Research is the UK's leading authority on retailing and publishes unrivalled independent analysis of the retail industry. With more than 20 years experience, Verdict has close relationships with major UK retailers and access, at the highest level, to key executives working in the Top 300 retailers to hear their views at first hand. Verdict reports provide clients with a complete picture of the retail sector and unique forecasts to help UK retailers, manufacturers, service suppliers, investment analysts, consultants and the media with strategic planning.

Verdict Research Ltd is a wholly owned subsidiary of Datamonitor Plc. Datamonitor is a premium business information company specialising in industry analysis. It helps over 5,000 of the world's leading companies to address complex strategic issues. Through proprietary databases and wealth of expertise it provides clients with unbiased expert analysis and in-depth forecasts for seven industry sectors: Automotive, Consumer Markets, Energy, Financial Services, Pharmaceuticals & Healthcare, Technology, and Transport & Logistics. Datamonitor maintains its headquarters in London and has regional offices in New York, San Francisco, Sydney, Frankfurt, Tokyo and Hyderabad.
