

## **Growth Opportunities in Convenience Food and Drinks**

Future trends and innovation strategies

By Gavin Eaton and Jessica Sadler

 [Table of Contents](#)

## **Gavin Eaton**

Gavin Eaton has extensive experience in research and consultancy in the soft drinks and hot beverage markets. He has previously worked with ACNielsen and TNS, analysing data for brand planning and category presentations to communicate insights, in the retail and foodservice sector. Recent research Gavin has participated in includes in-depth analysis of the health and convenience markets in the food and beverage industry.

## **Jessica Sadler**

Jessica Sadler has a first class honours degree in English from the University of Essex. She has worked on a number of consumer insight and retailer projects on areas including private label in Europe, the growth of convenience products, future health trends and the US diet market.
