Table of Contents

Opportunities in Nutritional and Functional Daily Dosing

Executive Summary	10
Market drivers and issues	10
Innovation and NPD	11
Future functional trends	12
Future marketing trends	13
Chapter 1 Introduction	16
Research methodology	16
The daily dosing market defined	16
Traditional and contemporary daily dosing	17
Report structure	19
Chapter 2 Market drivers and issues	22
Summary	22
Introduction	23
Changing attitudes towards health	23
Health concerns	23
Healthy behaviors	24
Conclusions	27
Prevalence of specific health conditions	27
Cardiovascular disorders	28
Dyslipidemia	29
Hypertension	30
Overweight and obesity	31
Digestive disorders	34
Bone health	35

Conclusions	36
Chapter 3	Innovation and NPD
	38
Summary	38
Introduction	39
Nutritional versus functional products	39
Regional analysis	40
Category analysis	42
Non-traditional product categories	44
Developments in tea, coffee and cocoa	45
Developments in bakery and confectionery	46
Developments in savory foods	48
Conclusions	51
Product feature analysis	51
Product tag analysis	51
Flavor analysis	52
Packaging analysis	53
Functional daily dosing products	54
Company analysis	54
Function analysis	56
Case study: Taisho Pharmaceutical	58
Demographic target group analysis	59
Conclusions	60
Chapter 4	Future functional trends
	64
Summary	64
Introduction	64
Digestive health	65
Intestinal health	65
Emerging markets	65
Ingredient branding	66
Product line extensions	67
Health extensions	67
Improving liver function	68
Controlling blood sugar	69
Conclusions	70
Energy	70
Emerging markets	71
Recovery drinks	72
Conclusions	73

Weight management	74
Fat burners	74
Fat and carb blockers	78
Appetite suppressants and satiety promoters	79
Conclusions	81
Cardiovascular health	81
Reducing cholesterol	81
Reducing hypertension	83
Improving circulation	84
Conclusions	85
Beauty	85
Conclusions	88
Oral health	88
Conclusions	90
The immune system	90
Boosting immunity	90
Anti-allergenic products	92
Blood system functions	92
Conclusions	93
Bone, joint and muscle health	94
Bone health	94
Joint health	95
Muscle health	95
Conclusions	96
Emerging functions	96
Central nervous system	97
Brain boosting products	97
Relaxing products	97
Stress alleviation products	98
Respiratory system	99
Eye health	99
Conclusions	100

Chapter 5 Future marketing trends 104

Summary	104
Introduction	104
Targeting demographic groups	105
Age groups and function	105
Children	105
Young adults	107
Mid-lifers	108
Seniors	109
The agelessness counter trend	110
Conclusions	111

Genders and function	111
Men	111
Women	112
Conclusions	114
Using new ingredients	114
Conclusions	118
Tailoring packaging to occasions	118
Compact packaging	118
Multipacks	120
Conclusions	122
Developing marketing communications	122
Naming the brand	122
Promoting daily usage	123
Broadening usage occasions	125
Developing cross-promotions	126
Conclusions	128
Index	129
