NPD in Preventive Health

Executive summary	12	
Understanding the preventive health trend	12	
Beauty from within	13	
Targeted/site specific food and drinks	14	
Performance enhancing preventive health	15	
Survey results and conclusions	16	
Chapter 1	Understanding the preventive health trend	18
Summary		18
Introduction		18
Defining preventive health		19
Key features in the success of preventive health food and drink products		20
Regulatory contexts in the major markets		23
The Japanese context		24
The US context		24
The EU context		24
Key trends in preventive health food and drinks		25
Structure of this report		28
Chapter 2	Beauty from within	30
Summary		30
Introduction		30
Consumer drivers		31
Skin and beauty preventive health		34
Eczema		34
Market potential		35
Key ingredients		39
Weight management preventive health		42
Overweight and obesity		42
Market potential		45

Key ingredients	46
Innovation and NPD in beauty from within	48
Key categories in skin and beauty preventive health	48
Soft drinks	49
Confectionery	51
Key categories in weight management	53
Soft drinks	54
Bakery and cereals	55
Lead regions in beauty from within	56
Coca-Cola System of Japan	57
Cadbury Japan Ltd	58
Future trends in beauty from within	59

Chapter 3 Targeted/site specific preventive health 62

Summary	62
Introduction	62
Consumer drivers	63
Market potential	65
Self-diagnostic testing kits	65
Supplements	65
Key areas in site specific preventive health	67
Heart health	68
Key ingredients	70
Digestive, defense and immunity health	73
Key ingredients	75
Bone and joint health	78
Osteoporosis	79
Arthritis	79
Key ingredients	81
Innovation and NPD in targeted/site specific health	84
Key categories in preventive heart health	84
Bakery and cereals	86
Dairy	87
Snacks	88
Key categories in preventive digestive, defense and immunity health	89
Soft drinks	90
Dairy	92
Key categories in bone and joint preventive health	94
Soft drinks	95
Dairy	96
Lead regions in targeted/site specific preventive health NPD	97
Leading companies in targeted/site specific preventive health	98
Kraft	98

Unilever	99
Future trends in targeted/site specific food and drinks	99

Chapter 4 Performance enhancing preventive health 102

Summary	102
Introduction	103
Consumer drivers	104
Key areas in performance enhancement	105
Brain and mental health	106
Key ingredients	109
Stress and relaxation	112
Depression and anxiety	112
Stress	114
Key ingredients	115
Wellness	116
Market value of wellness products	117
Key features and ingredients	119
Physical energy and vitality	121
Market value of physical energy and vitality products	122
Key ingredients	123
Virility	126
Key ingredients	128
Innovation and NPD in performance enhancement	131
Key categories in preventive brain and mental health	131
Soft drinks	133
Dairy	134
Key categories in stress and relaxation preventive health	136
Soft drinks	137
Hot drinks	139
Key categories in wellness	141
Soft drinks	142
Hot drinks	143
Key categories in physical energy and vitality	144
Soft drinks	145
Sauces, dressings and condiments	146
Key categories in virility	147
Soft drinks	148
Hot drinks	149
Lead regions in performance enhancement NPD	150
Brain Twist, Inc.	151
Regeneration USA, LLC	153
Future trends in performance enhancement	154

Chapter 5	Survey results and conclusions	158
Summary		158
Introduction		159
Leading categories overall		159
Leading regions overall		161
Survey results		163
Key marketing targets		163
Preventive health categories		165
Company influence in all preventive health innovation		166
Regions that lead in all preventive health food and drinks NPD		167
