

The Italian Gas Market Outlook

New profit opportunities from gas trading,
growing demand and regulatory change

By Nicola Tagliaferro

Table of Contents

The Italian Gas Market Outlook

Executive summary	10	
EU and Italian gas market regulatory and institutional framework	10	
Increasing importance of gas and the expected rise of import dependence	11	
The Italian gas market	12	
Gas price analysis	13	
Gas trading in the EU	14	
General conclusions	15	
Chapter 1	EU and Italian gas market regulatory and institutional framework	18
EU		18
Drivers for change		19
Technology		19
Liberalization process		20
Liberalization in Italy		26
Gas importation		26
Access to the gas system		27
Transmission and distribution		27
Storage and other ancillary facilities		29
Upstream pipeline networks		30
Opening of the market: timetable and eligible customers		30
Publication requirements for access conditions:		31
Unbundling		31
Regulatory system and authorities		32
Public service obligations		32
A new decree for a more efficient energy market		32
Focus on new infrastructure		34

Chapter 2 EU-15 gas market overview 40

Increasing importance of gas and the expected rise of import dependence	40
The gas market today	43
Conclusions	51

Chapter 3 The Italian gas market 54

Demand	54
Residential demand	55
Industrial and commercial demand	56
Power generation	56
Supply	58
Domestic gas production	59
Gas imports	60
The future of the Italian gas market	67
New gas import projects to Italy – pipeline	69
New gas import projects to Italy – LNG	72
North Adriatic LNG terminal (Edison)	75
Brindisi LNG terminal (BG and Enel)	76
Rosignano LNG terminal	77
The Italian demand and supply balance	78
Structure of the Italian gas market	85
Producers/foreign suppliers	86
Wholesale supply	86
Transmission	87
Storage	90
Local distribution and sale	91
The main gas players in Italy	96
Focus on ENI strategy	98
An attacking strategy	99

Chapter 4 Gas price analysis 102

EU gas prices and market liberalization	102
Italian gas prices	110
Wholesale gas prices	112
Gas transportation tariffs	113
LNG terminal tariff	114
Gas storage tariffs	114
Gas distribution tariffs	116
Gas sale prices	117
