

Part 6

7. **Single User Licence** - In relation to the Materials which you have purchased or to which you have subscribed (whether in hard copy, EDS or other electronic form and regardless of the means of access or delivery):

(a) you **may**:

- (i) display such Materials electronically to **one** member of your Personnel who is nominated by you to be the User;
- (ii) download and store limited and insubstantial extracts of Products and/or of Database Products in machine readable form for use by **one** member of your Personnel who is nominated by you to be the User;
- (iii) use limited and insubstantial extracts from the Data for external purposes **provided that** such use is in the ordinary course of your business and does not form part of a regular or routine pattern of use and **provided further that** where extracts of the Data are contained in documents which are to be included in press releases and/or otherwise made publicly available, such extracts of the Data shall (unless otherwise agreed with Business Insights) not be released unless the following conditions are complied with:-
 - either a proof, copy or relevant section of the document are supplied to Business Insights for release authorisation during UK office hours and Business Insights gives such authorisation in writing - Business Insights will not unreasonably withhold or delay such authorisation; and
 - Business Insights's copyright notice is included in the document; and
 - expressly and with reasonable prominence, Business Insights is acknowledged as the source of the Data so used;
- (iv) print **one** copy of reports and newsletters (but **not** of Database Products) for use by **one** member of your Personnel who is nominated by you to be the User;
- (v) print limited and insubstantial extracts of Database Products for use by **one** member of your Personnel who is nominated by you to be the User;
- (vi) allow the User to use the Data for internal analysis in the ordinary (internal) course of your business;
- (vii) use limited and insubstantial extracts from the Materials in internal business reports circulated to your Personnel within the normal (internal) course of your business; and
- (viii) save only as expressly permitted in accordance with sub-paragraph (iii) above, allow the User to use such Materials solely for your internal business purposes.

(b) you may **not**:

- (i) download, store, reproduce, transmit, display, copy, distribute, commercially exploit or use the Materials and/or Data other than as expressly permitted in sub-clause 7(a) above;
- (ii) resell, sub-licence, rent, lease, transfer or attempt to assign the rights in the Materials and/or Data (in whole or in part) to any other person;
- (iii) use the Materials and/or Data in any manner, (or transfer or export the Materials and/or Data or any copies thereof into any country), other than in compliance with applicable laws;
- (iv) allow the one named authorised User to use the Materials and/or Data other than in accordance with these Terms nor may you allow any person other than the one named authorised User to use and/or gain access to the

Materials and/or Data;

- (v) modify or alter such Materials and/or Data nor may you create a database in electronic or structured manual form by systematically downloading and storing any of the content from such Materials and/or Data; or
- (vi) in the case of Materials supplied in portable EDS, permit anyone other than the one named and authorised User to access the software - the Terms will continue to govern the use of the Materials and/or their constituent Data regardless of where the EDS containing the Materials and/or their constituent Data is located.

Part 6

7. **Multi User Licence** - In relation to the Materials which you have purchased or to which you have subscribed (whether in hard copy, EDS or other electronic form and regardless of the means of access or delivery):

- (a) you **may**:
- (i) display such Materials electronically to the agreed number of Users set out in the Order Confirmation Form being persons individually nominated by you to be the Users who are all members of your Personnel;
 - (ii) download and store limited and insubstantial extracts of Products and/or of Database Products in machine readable form for use by those members of your Personnel who are within the agreed number of Users nominated by you;
 - (iii) use limited and insubstantial extracts from the Data for external purposes **provided that** such use is in the ordinary course of your business and does not form part of a regular or routine pattern of use and **provided further that** where extracts of the Data are contained in documents which are to be included in press releases and/or otherwise made publicly available, such extracts of the Data shall (unless otherwise agreed with Business Insights) not be released unless the following conditions are complied with:-
 - either a proof, copy or relevant section of the document are supplied to Business Insights for release authorisation during UK office hours and Business Insights gives such authorisation in writing - Business Insights will not unreasonably withhold or delay such authorisation; and
 - Business Insights's copyright notice is included in the document; and
 - expressly and with reasonable prominence, Business Insights is acknowledged as the source of the Data so used;
 - (iv) print **one** copy of reports and newsletters (but **not** of Database Products) per named and authorised User for use by such named and authorised Users who are within the agreed number of Users nominated by you;
 - (v) print limited and insubstantial extracts of Database Products for use by such named and authorised Users who are within the agreed number of Users nominated by you;
 - (vi) allow the named and authorised Users who are within the agreed number of Users nominated by you to use the Data for internal analysis in the ordinary (internal) course of your business;
 - (vii) use limited and insubstantial extracts from the Materials in internal business reports circulated to your Personnel within the normal (internal) course of your business; and
 - (viii) save only as expressly permitted in accordance with sub-paragraph (iii) above, allow the Users to use such Materials solely for your internal business purposes.
- (b) you may **not**:
- (i) download, store, reproduce, transmit, display, copy, distribute, commercially exploit or use the Materials and/or Data other than as expressly permitted in sub-clause 7(a) above;
 - (ii) resell, sub-licence, rent, lease, transfer or attempt to assign the rights in the Materials and/or Data (in whole or in part) to any other person;
 - (iii) use the Materials and/or Data in any manner, (or transfer or export the Materials and/or Data or any copies thereof into any country), other than in compliance with applicable laws;

- (iv) allow any of the named and authorised Users to use the Materials and/or Data other than in accordance with these Terms nor may you allow any person other than the named authorised Users to use and/or gain access to the Materials and/or Data;
- (v) modify or alter such Materials and/or Data nor may you create a database in electronic or structured manual form by systematically downloading and storing any of the content from such Materials and/or Data; or
- (vi) in the case of Materials supplied in portable EDS, permit anyone other than the agreed number of Users to access the software - the Terms will continue to govern the use of the Materials and/or their constituent Data regardless of where the EDS containing the Materials and/or their constituent Data is located.

Part 6

7. **Site Licence** - In relation to the Materials which you have purchased or to which you have subscribed (whether in hard copy, EDS or other electronic form and regardless of the means of access or delivery):

(a) you **may**:

- (i) display such Materials electronically to the agreed number of Users set out in the Order Confirmation Form being persons individually nominated by you to be the Users who are all members of your Personnel located at the Client Location;
- (ii) download and store limited and insubstantial extracts of Products and/or of Database Products in machine readable form for use by those members of your Personnel located at the Client Location who are within the agreed number of Users nominated by you;
- (iii) use limited and insubstantial extracts from the Data for external purposes **provided that** such use is in the ordinary course of your business and does not form part of a regular or routine pattern of use and **provided further that** where extracts of the Data are contained in documents which are to be included in press releases and/or otherwise made publicly available, such extracts of the Data shall (unless otherwise agreed with Business Insights) not be released unless the following conditions are complied with:-
 - either a proof, copy or relevant section of the document are supplied to Business Insights for release authorisation during UK office hours and Business Insights gives such authorisation in writing - Business Insights will not unreasonably withhold or delay such authorisation; and
 - Business Insights's copyright notice is included in the document; and
 - expressly and with reasonable prominence, Business Insights is acknowledged as the source of the Data so used;
- (iv) print **one** copy of reports and newsletters (but **not** of Database Products) per named and authorised User for use by such named and authorised Users located at the Client Location who are within the agreed number of Users nominated by you;
- (v) print limited and insubstantial extracts of Database Products for use by named and authorised Users located at the Client Location who are within the agreed number of Users nominated by you;
- (vi) allow named and authorised Users located at the Client Location who are within the agreed number of Users nominated by you to use the Data for internal analysis in the ordinary (internal) course of your business;
- (vii) use limited and insubstantial extracts from the Materials in internal business reports circulated to your Personnel within the normal (internal) course of your business; and
- (viii) save only as expressly permitted in accordance with sub-paragraph (iii) above, allow the Users to use such Materials solely for your internal business purposes.

(b) you may **not**:

- (i) download, store, reproduce, transmit, display, copy, distribute, commercially exploit or use the Materials and/or Data other than as expressly permitted in sub-clause 7(a) above;
- (ii) resell, sub-licence, rent, lease, transfer or attempt to assign the rights in the Materials and/or Data (in whole or in part) to any other person;
- (iii) use the Materials and/or Data in any manner, (or transfer or export the

Materials and/or Data or any copies thereof into any country), other than in compliance with applicable laws;

- (iv) allow any of the named and authorised Users to use the Materials and/or Data other than in accordance with these Terms nor may you allow any person other than the named and authorised Users to use and/or gain access to the Materials and/or Data;
- (v) modify or alter such Materials and/or Data nor may you create a database in electronic or structured manual form by systematically downloading and storing any of the content from such Materials and/or Data; or
- (vi) in the case of Materials supplied in portable EDS, permit anyone other than the agreed number of Users to access the software - the Terms will continue to govern the use of the Materials and/or their constituent Data regardless of where the EDS containing the Materials and/or their constituent Data is located.

Part 6

7. **Country Licence** - In relation to the Materials which you have purchased or to which you have subscribed (whether in hard copy, EDS or other electronic form and regardless of the means of access or delivery):

(a) you **may**:

- (i) display such Materials electronically to the agreed number of Users set out in the Order Confirmation Form being persons individually nominated by you to be the Users who are all members of your Personnel located wholly or mainly in the Country;
- (ii) download and store limited and insubstantial extracts of Products and/or of Database Products in machine readable form for use by those members of your Personnel located wholly or mainly in the Country who are within the agreed total number of Users nominated by you;
- (iii) use limited and insubstantial extracts from the Data for external purposes **provided that** such use is in the ordinary course of your business and does not form part of a regular or routine pattern of use and **provided further that** where extracts of the Data are contained in documents which are to be included in press releases and/or otherwise made publicly available, such extracts of the Data shall (unless otherwise agreed with Business Insights) not be released unless the following conditions are complied with:-
 - either a proof, copy or relevant section of the document are supplied to Business Insights for release authorisation during UK office hours and Business Insights gives such authorisation in writing - Business Insights will not unreasonably withhold or delay such authorisation; and
 - Business Insights's copyright notice is included in the document; and
 - expressly and with reasonable prominence, Business Insights is acknowledged as the source of the Data so used;
- (iv) print **one** copy of reports and newsletters (but **not** of Database Products) per named and authorised User for use by such named and authorised Users located wholly or mainly in the Country who are within the agreed total number of Users nominated by you;
- (v) print limited and insubstantial extracts of Database Products for use by named and authorised Users located wholly or mainly in the Country who are within the agreed total number of Users nominated by you;
- (vi) allow named and authorised Users located wholly or mainly in the Country who are within the agreed total number of Users nominated by you to use the Data for internal analysis in the ordinary (internal) course of your business;
- (vii) use limited and insubstantial extracts from the Materials in internal business reports circulated to your Personnel within the normal (internal) course of your business; and
- (viii) save only as expressly permitted in accordance with sub-paragraph (iii) above, allow the Users to use such Materials solely for your internal business purposes.

(b) you **may not**:

- (i) download, store, reproduce, transmit, display, copy, distribute, commercially exploit or use the Materials and/or Data other than as expressly permitted in sub-clause 7(a) above;
- (ii) resell, sub-licence, rent, lease, transfer or attempt to assign the rights in the Materials and/or Data (in whole or in part) to any other person;
- (iii) use the Materials and/or Data in any manner, (or transfer or export the

Materials and/or Data or any copies thereof into any country), other than in compliance with applicable laws;

- (iv) allow any of the named and authorised Users to use the Materials and/or Data other than in accordance with these Terms nor may you allow any person other than the named and authorised Users to use and/or gain access to the Materials and/or Data;
- (v) modify or alter such Materials and/or Data nor may you create a database in electronic or structured manual form by systematically downloading and storing any of the content from such Materials and/or Data; or
- (vi) in the case of Materials supplied in portable EDS, permit anyone other than the agreed number of Users to access the software - the Terms will continue to govern the use of the Materials and/or their constituent Data regardless of where the EDS containing the Materials and/or their constituent Data is located.

Part 6

7. **Regional Licence** - In relation to the Materials which you have purchased or to which you have subscribed (whether in hard copy, EDS or other electronic form and regardless of the means of access or delivery):

(a) you **may**:

- (i) display such Materials electronically to the agreed number of Users set out in the Order Confirmation Form being persons individually nominated by you to be the Users who are all members of your Personnel located wholly or mainly in the Region;
- (ii) download and store limited and insubstantial extracts of Products and/or of Database Products in machine readable form for use by those members of your Personnel located wholly or mainly in the Region who are within the agreed total number of Users nominated by you;
- (iii) use limited and insubstantial extracts from the Data for external purposes **provided that** such use is in the ordinary course of your business and does not form part of a regular or routine pattern of use and **provided further that** where extracts of the Data are contained in documents which are to be included in press releases and/or otherwise made publicly available, such extracts of the Data shall (unless otherwise agreed with Business Insights) not be released unless the following conditions are complied with:-
 - either a proof, copy or relevant section of the document are supplied to Business Insights for release authorisation during UK office hours and Business Insights gives such authorisation in writing - Business Insights will not unreasonably withhold or delay such authorisation; and
 - Business Insights's copyright notice is included in the document; and
 - expressly and with reasonable prominence, Business Insights is acknowledged as the source of the Data so used;
- (iv) print **one** copy of reports and newsletters (but **not** of Database Products) per named and authorised User for use by such named and authorised Users located wholly or mainly in the Region who are within the agreed total number of Users nominated by you;
- (v) print limited and insubstantial extracts of Database Products for use by named and authorised Users located wholly or mainly in the Region who are within the agreed total number of Users nominated by you;
- (vi) allow named and authorised Users located wholly or mainly in the Region who are within the agreed total number of Users nominated by you to use the Data for internal analysis in the ordinary (internal) course of your business;
- (vii) use limited and insubstantial extracts from the Materials in internal business reports circulated to your Personnel within the normal (internal) course of your business; and
- (viii) save only as expressly permitted in accordance with sub-paragraph (iii) above, allow the Users to use such Materials solely for your internal business purposes.

(b) you **may not**:

- (i) download, store, reproduce, transmit, display, copy, distribute, commercially exploit or use the Materials and/or Data other than as expressly permitted in sub-clause 7(a) above;
- (ii) resell, sub-licence, rent, lease, transfer or attempt to assign the rights in the Materials and/or Data (in whole or in part) to any other person;
- (iii) use the Materials and/or Data in any manner, (or transfer or export the

Materials and/or Data or any copies thereof into any country), other than in compliance with applicable laws;

- (iv) allow any of the named and authorised Users to use the Materials and/or Data other than in accordance with these Terms nor may you allow any person other than the named and authorised Users to use and/or gain access to the Materials and/or Data;
- (v) modify or alter such Materials and/or Data nor may you create a database in electronic or structured manual form by systematically downloading and storing any of the content from such Materials and/or Data; or
- (vi) in the case of Materials supplied in portable EDS, permit anyone other than the agreed number of Users to access the software - the Terms will continue to govern the use of the Materials and/or their constituent Data regardless of where the EDS containing the Materials and/or their constituent Data is located.

Part 6

7. **Corporate Licence** - In relation to the Materials which you have purchased or to which you have subscribed (whether in hard copy, EDS or other electronic form and regardless of the means of access or delivery):

(a) you **may**:

- (i) display such Materials electronically to members of your Personnel wherever in the world they may be located;
- (ii) use limited and insubstantial extracts from the Data for external purposes **provided that** such use is in the ordinary course of your business and does not form part of a regular or routine pattern of use and **provided further that** where extracts of the Data are contained in documents which are to be included in press releases and/or otherwise made publicly available, such extracts of the Data shall (unless otherwise agreed with Business Insights) not be released unless the following conditions are complied with:-
 - either a proof, copy or relevant section of the document are supplied to Business Insights for release authorisation during UK office hours and Business Insights gives such authorisation in writing - Business Insights will not unreasonably withhold or delay such authorisation; and
 - Business Insights's copyright notice is included in the document; and
 - expressly and with reasonable prominence, Business Insights is acknowledged as the source of the Data so used;
- (iii) download and store limited and insubstantial extracts of Products and/or of Database Products in machine readable form for use by members of your Personnel wherever in the world they may be located and for the purposes of internal distribution within the Client;
- (iv) print copies of reports and newsletters (but **not** of Database Products) for use by members of your Personnel;
- (v) print limited and insubstantial extracts of Database Products for use by your Personnel;
- (vi) allow your Personnel to use the Data for internal analysis in the ordinary (internal) course of your business;
- (vii) download, reproduce and store limited and insubstantial extracts of the Data in one or more internal databases of the Client for subsequent retrieval, analysis, manipulation, report preparation and/or other lawful internal business purposes of the Client;
- (viii) use limited and insubstantial extracts from the Materials in internal business reports circulated to your Personnel within the normal (internal) course of your business; and
- (ix) save only as expressly permitted in accordance with sub-paragraph (ii) above, allow your Personnel to use such Materials solely for your internal business purposes.

(b) you may **not**:

- (i) download, store, reproduce, transmit, display, copy, distribute, commercially exploit or use the Materials and/or Data other than as expressly permitted in sub-clause 7(a) above;
- (ii) resell, sub-licence, rent, lease, transfer or attempt to assign the rights in the Materials and/or Data (in whole or in part) to any other person;

- (iii) use the Materials and/or Data in any manner, (or transfer or export the Materials and/or Data or any copies thereof into any country), other than in compliance with applicable laws;
- (iv) allow any of your Personnel to use the Materials and/or Data other than in accordance with these Terms nor may you allow any person other than a member of your Personnel to use and/or gain access to the Materials and/or Data;
- (v) modify or alter such Materials and/or Data nor may you create a database in electronic or structured manual form by systematically downloading and storing any of the content from such Materials and/or Data (other than as expressly permitted in sub-clause 7(a)(vii) above); or
- (vi) in the case of Materials supplied in portable EDS, permit anyone other than members of Personnel to access the software - the Terms will continue to govern the use of the Materials and/or their constituent Data regardless of where the EDS containing the Materials and/or their constituent Data is located.

Part 6

7. **Group Licence** - In relation to the Materials which you have purchased or to which you have subscribed (whether in hard copy, EDS or other electronic form and regardless of the means of access or delivery):

(a) you **may**:

- (i) display such Materials electronically to any employee of any member of the Client's Group wherever in the world they may be located;
- (ii) use limited and insubstantial extracts from the Data for external purposes **provided that** such use is in the ordinary course of your business and does not form part of a regular or routine pattern of use and **provided further that** where extracts of the Data are contained in documents which are to be included in press releases and/or otherwise made publicly available, such extracts of the Data shall (unless otherwise agreed with Business Insights) not be released unless the following conditions are complied with:-
 - either a proof, copy or relevant section of the document are supplied to Business Insights for release authorisation during UK office hours and Business Insights gives such authorisation in writing - Business Insights will not unreasonably withhold or delay such authorisation; and
 - Business Insights's copyright notice is included in the document; and
 - expressly and with reasonable prominence, Business Insights is acknowledged as the source of the Data so used;
- (iii) download and store limited and insubstantial extracts of Products and/or of Database Products in machine readable form for use by any employee of any member of the Client's Group wherever in the world they may be located and for the purposes of internal distribution within the Group;
- (iv) print copies of reports and newsletters (but **not** of Database Products) for use by any employee of any member of the Client's Group;
- (v) print limited and insubstantial extracts of Database Products for use by any employee of any member of the Client's Group;
- (vi) allow employees of any member of the Client's Group to use the Data for internal analysis in the ordinary (internal) course of the Group's business;
- (vii) download, reproduce and store limited and insubstantial extracts of the Data in one or more internal databases of the Group for subsequent retrieval, analysis, manipulation, report preparation and/or other lawful internal business purposes of the Group;
- (viii) use limited and insubstantial extracts from the Materials in internal business reports circulated to employees of any member of the Client's Group within the normal (internal) course of the Group's business; and
- (ix) save only as expressly permitted in accordance with sub-paragraph (ii) above, allow employees of any member of the Client's Group to use such Materials solely for the Group's internal business purposes.

(b) you may **not**:

- (i) download, store, reproduce, transmit, display, copy, distribute, commercially exploit or use the Materials and/or Data other than as expressly permitted in sub-clause 7(a) above;
- (ii) resell, sub-licence, rent, lease, transfer or attempt to assign the rights in the Materials and/or Data (in whole or in part) to any other person;

- (iii) use the Materials and/or Data in any manner, (or transfer or export the Materials and/or Data or any copies thereof into any country), other than in compliance with applicable laws;
- (iv) allow any employee of any member of the Client's Group to use the Materials and/or Data other than in accordance with these Terms nor may you allow any person other than an employee of a member of the Client's Group to use and/or gain access to the Materials and/or Data;
- (v) modify or alter such Materials and/or Data nor may you create a database in electronic or structured manual form by systematically downloading and storing any of the content from such Materials and/or Data (other than as expressly permitted in sub-clause 7(a)(vii) above); or
- (vi) in the case of Materials supplied in portable EDS, permit anyone other than employees of any member of the Client's Group to access the software - the Terms will continue to govern the use of the Materials and/or their constituent Data regardless of where the EDS containing the Materials and/or their constituent Data is located.
